Join the Junior Sno-Gopher Ski Club as they travel by train to Breckenridge, Colorado.

Breckenridge ski resort has unbeatable terrain, awesome powder, great weather, and a cool town!

The town's old west charm mixes in well with restaurants and boutique shopping. Because of the low humidity and thin air, the sky is actually a brighter shade of blue that contrasts against the vividly white mountains. Words and pictures don't do justice to the beauty of Breckenridge resort - you have to see it for yourself.

And did I mention great skiing!!!! 2,358 acres of pure snow sports bliss and impeccable grooming make Breckenridge skiing and snowboarding a truly unforgettable experience.
